

SCOUT Popcorn

Northern Lights Council 2018

Wow! When the rain stops.... she stops!!! Hope you are all managing to stay cool in this heat wave!
Expecting to see awesome suntans at Kick-Off 😊

NLC'S KICK-OFF IS SATURDAY, SEPTEMBER 8.

Plan to attend to get all the updated info and resources needed to make your 2018 sale the best ever!
See Invite attachment

And...speaking of Kick-Offs.... start planning yours now! Year after year, what we see is that groups who hold an enthusiastic Kick-Off with youth AND parents have a significantly larger sale than those groups who simply hand out order forms with a return date listed in an attached note. To maximize your selling time, plan your Kick-Off for the 2nd week after you reconvene. Or...how about an outdoor Kick-Off, Scavenger Hunt/Hike followed by a weenie roast..... *just thinkin' out loud.....*

Campaign Materials Online

- You **will** receive one order form per youth in your 2018 NLC Package. You can order more through Vista Print, but you can photocopy, too.
- Still working on getting Thank-you cards and Door Hangers added to the Vista Print list 🤪
- Correct Scholarship Form (with correct NLC instructions) will be in the NLC package

And - speaking of scholarships - if you forgot to send an application-don't panic. Send it to Roxanne now rringuette@breckels.com

And...speaking of NOW....We need the name and contact information of every group's Popcorn Coordinator. Have heard only from 27 groups out of 66. Yikes!

If it was you last year and it's still you this year, please confirm. If it's not you anymore, please let us know and if you know who it is, please pass this along. Emails will be sent to Group Commissioners as well. Please email to Virginia at vlovell@shaw.ca

- **Group Name and Coordinator's name**
- **Coordinator's email address and Coordinator's phone number**
(this information must be the way we can contact you - especially during warehousing time)

As soon as the tracker feature of the system is up and running for this year, Virginia will transfer the info. **This contact information is critical as we will be sending more info as soon as we have it.**

Watch for a Scout Popcorn Update next week.

Stay Cool! Stay Safe! Enjoy the Summer!

Virginia and Roxanne
