

## What is FTE?

**FTE 2018  
REGISTRATION  
IS NOW OPEN**  
Visit [AlbertaScouters.ca](http://AlbertaScouters.ca)

**Family Training Event (FTE):** To some, FTE is simply a week long Scouter training session. To others it is an opportunity to recharge their Scouting battery while making new Scouting friends and spending time with Scouting family they don't see as often as they would like. It has become a tradition in Alberta Scouting to provide Scouters with the opportunity for both, complete with an on-site day program for children so that the families of Wood Badge II training participants are able to both enjoy training and spend quality time with their families. We call it "Family Training Event" to acknowledge the whole family approach that is being celebrated by this multi-event approach.

**Youth Program:** This is an opportunity to give your child the ultimate Scouting experience. Whether they're Beaver, Cub or Scout-aged youth their day will be filled with games, crafts, rambles, water, snacks, and adventures. Bring all of your Scout aged children, regardless of them being a registered Scouts Canada member, they will be welcome.

**OOS:** Have a junior Venturer or senior Scout coming along who isn't quite old enough for the training program, too old for the Youth Program or more interested in helping with the younger sections? They'll have the opportunity to act as Activity Leaders or Scouters in Training, assisting with the delivery of the program and honing their leadership skills.

**Family Campfires:** All the participants and their families come together for an interactive campfire run by the FTE staff and participants. Every night will be a different format that will not only be fun but also educational.

**Family Fun Day:** On Wednesday, we will be having a Family Fun Day. Some activities include geocaching, paddling, hiking, family crafts, and other camp activities designed for the whole family. We will also be hosting a Potluck supper for all those interested. Meet and mingle with your new friends and fellow scouting families!

**ScouTED:** Informative evening sessions open to all camp attendees based on the interactive "TED Talks" format. Details will be posted nightly at camp HQ.
