**Help provide safe and affordable housing, social services and mental health and counseling services to the Greater Milwaukee area**

As a trusted social services provider, we know that our work would not possible without your support. During these challenging times, your generosity has and will continue to allow us to promote hope, help and healing for our clients and the communities we serve.

This year's Hope, Help and Healing Gala includes an evening of beverages, bites and entertainment!

We hope you can join us face to face in June and be able to share how much your support truly impacts adults with disabilities, mental health challenges, seniors, children and families with low incomes in our community.
