Friday Musings  
December 08, 2021

Our city of Livonia has a rich and proud history of service clubs that support and enhance our community. They are the crown jewels of our city. The Kiwanis Early Risers, Livonia Lions Club, Goodfellas, Jaycees, noon Rotary, and The AM Rotary Club of Livonia just to name a few.

So, to have Friday Musings name The AM Rotary Club of Livonia "Service Club of the Year" is only enhanced by the quality of our fellow service clubs vying for the award. Although we are small in number, our club is mighty in our resolve to make our community a better place for all Livonians to live, work, learn, worship, and have fun. And each of our members brings their unique talents to our club that is blended together for the common good. On behalf of all the members of our club, I humbly accept this award.

President AM Livonia Club
