

Designed by Leadership Blount and in collaboration with community partners, Discover Blount is an introduction to Blount County showcasing tourism, health, education, industry, history, and non-profit organizations. The program introduces participants to resources in our county and identifies opportunities to become more involved.

Forty participants will be accepted on a first come-first serve basis. While anyone is welcome to participate, the program is aimed at emerging leaders, those new to Blount County, and anyone who wants to be more involved in our community.

The Discover Blount program will consist of six, 5 hour class days with one social and one service opportunity.
