Sponsorship 2026

Blount Partnership

8th Grade Career Exploration Fair

About the 8th Grade Career Exploration Fair

The Blount County Career Exploration Fair, hosted by the Blount Partnership, aims to inspire middle school students by introducing them to potential career opportunities. This event connects over 1,500 rising high schoolers with local business leaders and employers, offering brief hands-on experiences to help them explore various career paths.

Participating companies represent industries such as finance, information technology, computer science, architecture, construction, HVAC, manufacturing, government, law, health science, food science, culinary arts, education and more. Additionally, students can attend sessions on essential soft skills, including handshakes, interview etiquette, professional attire and crafting effective quick pitches.
