Charlotte County School District Millage Referendum

STRONG SCHOOLS = STRONG COMMUNITY

For the past eight years, Charlotte County voters have supported the Millage Referendum and the results have been remarkable. This community's commitment has strengthened our schools, supported our staff, expanded learning time, and created opportunities that directly benefit students. The progress we are seeing today proves that your support has made a real and measurable difference.

Charlotte County Public Schools earned an **A district grade for the first time since 2011**, and we are determined to keep that momentum going. To sustain the programs, staffing, and extended instructional time that helped our district achieve an A rating, **please Vote YES on November 3 to continue the millage.**

What the Millage Continues to Support

- Competitive pay to recruit and retain high-quality teachers and support staff
- Expansion of Workforce Education
- An additional ½ hour of instructional time each day
- Key staff positions including security personnel, academic coaches and behavioral support staff
- Elimination of pay-to-participate fees for extracurricular activities
- Continued improvement in student achievement, school grades, and graduation outcomes

If the Millage Is Not Renewed

- Salaries will be reduced
- Positions will be eliminated
- Funding for music, art, and theatre programs will be reduced
- Families will be charged for extracurricular activities and other enrichment programs

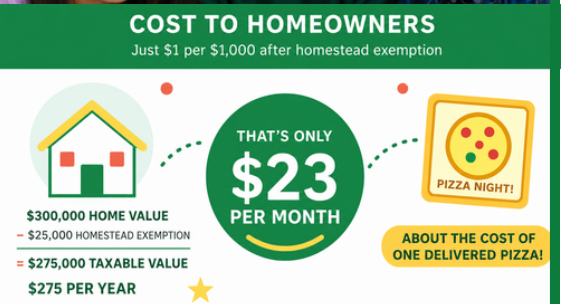

OUR RESULTS:
A DISTRICT ON THE RISE

Thanks to our dedicated staff, students, families, and supportive community, the Charlotte County School District achieved major gains:

- **CCPS Earned an "A" District Grade—Our First Since 2011!**

- State ranking climbed to **#21**
- 10 A-rated schools, up from 9 last year

This "A" rating is not the finish line—it is proof that our work is making a difference and motivation to continue reaching even higher.
