

## **Charlotte County Chamber of Commerce AMBASSADOR**

The elite Ambassador Program of the Charlotte County Chamber of Commerce has been reinvigorated beginning October 1, 2020 to provide promotion and support of the iconic organization. We value our longtime ambassadors and it's time to expand upon their dedicated ranks.

Indeed, ambassador status is only awarded to the most dedicated of chamber members. They understand the mission and benefits of chamber membership, and realize how much the chamber contributes to its members and the entire Charlotte County community. They volunteer countless hours attending chamber events, assisting with promotions, and seeking new chamber members.

Chamber ambassadors are the front line. They are highly visible and respected by the membership overall business community.
