Chamber of Commerce**

2025 Committee Volunteer Opportunities

We are looking for you!

The Charlotte County Chamber is looking for members who would like a rewarding opportunity for a deeper impact and connection to our organization.

You CAN make a difference!

Ambassador Committee:

Looking for a meaningful way to support local businesses? Our Ambassadors serve as a vital link between new and existing members, helping them navigate Chamber events, benefits, and opportunities. You'll volunteer at monthly and annual events, assist with registrations, and build valuable connections- all while gaining visibility for your own business. If you're passionate about community and business growth, join us and make a lasting impact!

Government Affairs Committee:

Joining our Governor Affairs Committee for the Charlotte County Chamber provides a unique opportunity to influence local policy and foster economic growth. This committee acts as a vital bridge between business leaders and government officials, advocating for policies that benefit the business community. Members engage in discussions on key issues, collaborate on community initiatives, and promote a favorable business climate.

By participating, you can voice your concerns, share insights, and contribute to strategic planning. This role not only enhances your professional network but also empowers you to make a tangible impact on your community's economic landscape. Your involvement is crucial for success.

Social Committee (F.U.N. Force/Fostering Unique Networking): –

Looking for a F.U.N. way to network and make an impact? Our Social Committee brings businesses and community members together by organizing quarterly events that encourage connection and support local businesses. As a volunteer, you'll help plan and run these events, build valuable relationships, and gain exposure for your own business-all while having a great time. If you enjoy meeting new people and creating engaging experiences, we'd love for you to join us!
