

Charlotte County  
Chamber of Commerce

YOU ARE INVITED TO PARTICIPATE IN THE

*Inaugural December  
Third Wednesday Coffee*

# Radio Controlled Car Christmas Parade

Decorate your radio controlled vehicle for the holidays to represent YOUR business in the Inaugural Radio Controlled Car Christmas Parade. Bring it with you at 7:15 a.m., Wednesday, December 16, 2020, to the Charlotte Harbor Event and Conference Center.

Vehicles will be lined up to parade around the room and among the tables near the end of the program. (This might get interesting, so miniature wrecker services will be on stand-by ... just in case.)

It's anticipated that this could become a media event, so please plan accordingly! What do you do when it's not possible to have your 42nd Annual Christmas Parade? THIS!

**Prizes**  
WILL BE AWARDED

No charge to participate. All social distancing, crowd & facemask guidelines continue to be followed. Battery operated, wheeled, remote controlled vehicles only (no flying vehicles).
