Drivers License offices across the state temporarily closed September 26-28

All Drivers License offices statewide will be temporarily closed from Tuesday, September 26 through Thursday, September 28. The closure will allow North Dakota Department of Transportation Drivers License employees to receive required annual training. One exception to this will be the Drivers License site located at 608 East Boulevard Ave. in Bismarck, which will be open to the public from 7:30 a.m. until 11:45 a.m. on Tuesday, September 26.

All Drivers License sites will resume normal business hours on Friday, September 29.

Motor Vehicle offices will remain open as scheduled, and will process vehicle registrations, vehicle titles, vehicle license plates and tabs, and associated work as usual.

North Dakota residents between the ages of 21 and 65 and who have previously renewed in person after turning 21 are now able to renew their driver's license online. For more details go to

<https://apps.nd.gov/dot/dlts/dlos/renewal/welcome.htm>

The online driver's license renewal service is one of several customer-focused services the NDDOT has implemented to make it easier for citizens to receive services.
