

## Upcoming Registration Dates

July 6: OUR will purge all shopping carts. We have emailed our students to let them know that this is happening but I wanted you to be aware as well.

July 9: Shopping cart opens and students may begin adding courses to their shopping carts. This is also the first day that students will be able to see their enrolment appointment times in SOLUS. The enrolment appointment time will display on the right hand side of their SOLUS Student Centre. They must click on "Details" to view their time.

**A note about "Validate":** We encourage students to validate their shopping cart courses. The validate function checks for prerequisites, timetable conflicts, etc. When checking prerequisites, the validate function looks for "completed" courses. Therefore, if a winter term class requires a fall term class as prerequisite, the prerequisite check will fail because the student isn't yet "enrolled" in the class. However, once the student is enrolled in the fall term class, it will then satisfy the course prerequisite for the winter term class.

July 13: BISC students enrol in their BISC courses.

**Course registration:** July 16 to August 3<sup>rd</sup>. During this time period, wait lists will be initiated on all single term courses. Students may enrol in a maximum of 17.99 units per term.

July 16: First year BSCH and BCMPH enrolment appointment times

July 17: First year BAH, BMUS and BFAH enrolment appointment times

July 18: Fourth year enrolment appointment times
