

THE HELPING HAND ADVANTAGE

Pelco is here to Lend a Helping Hand!

The Pelco Helping Hand installation tool simplifies your bracket installations by providing extra stability and support, making your job safer and more efficient. Pair this with Pelco's Galaxy or Stellar Astro-Bracs for a flawless and safer installation experience.

MoboTrex is excited to announce a limited one time promotion for Pelco's industry-leading Astro-Brac and the innovative Helping Hand installation support tool.

**Buy 24 Astro-Bracs receive
a FREE Helping Hand!**
