

Documentary Film Series with the Director!

Valley Community Presbyterian Church and Oak Grove Presbyterian Church are partnering to host David Barnhart on January 19-20, 2019.

David is an award winning producer, director and filmmaker for Presbyterian Disaster Assistance (PDA) and the PCUSA. He is committed to "Story" as a means to connect and engage wider circles of community. Each showing will be followed by discussion of the content and an opportunity to hear from David and ask questions.

This documentary frames gun violence as a "disaster" and "public health" issue. It examines how one shooting impacts individuals, families and communities and gives voice to the questions and insights that arise for those who have been affected. After looking at their in-depth experiences, the documentary turns to the bigger question, "What can we do to prevent gun violence?"

This documentary follows the stories of individuals who fled their homelands in search of safety and freedom only to end up in U.S. prisons under a mandatory bed quota system run by Immigration Customs & Enforcement (ICE). The film also follows members of a congregation who decide to visit a detention facility and helps strip away the political rhetoric to see the human cost of detention.
