

Reminder: Congregational Development Grant applications due March 1

Applications for the 2019 round of Congregational Development Grants are due March 1. You can find the full application packet online on the [Presbytery website](#). Go to the Committee tab and look for Congregational Vitality.

The Congregational Development Fund has been established by the Presbytery to encourage or expand congregational ministry supporting innovative, and perhaps risky, ministry initiatives at the congregational level. Up to \$100,000 in grants annually will be available from this fund. There are full details about grant parameters on the application form itself.

The PTCA's Committee on Congregational Vitality (CCV) will receive and evaluate proposals and recommend recipients. Successful applications will build on the current gifts, abilities, passions, and callings of congregations.

Completed applications may be submitted to the Presbytery by mail or electronically to the Committee on Congregational Vitality through Jennifer Schultz, PTCA office manager, at office@ptcaweb.org by March 1. Please put Congregational Development Fund application in the subject line. Questions can be addressed to Michael Quady, chair of CCV, at quady12@gmail.com, or to Jeff Japinga, executive presbyter, at ep@ptcaweb.org.
