

## Clearwater Forest Announces Capital Campaign

Love, memories, and traditions.

It is also about the future. *How do we maintain and develop Clearwater Forest so that it can continue to transform lives?* This whole idea is summed up in the Campaign title – Rooted in Tradition, Growing for Tomorrow.

**The Campaign at a glance...** Clearwater Forest is embarking on a new journey in the form of a capital campaign to reach our goal of raising \$2.2 million! **Beneficiaries of the funds raised include...**

- Dining Hall and kitchen renovation to include an upgraded kitchen and dining area and accessible bathrooms with the addition of administrative offices and a welcoming center.
- The transformation of the Carriage House to a cozy small-to-medium sized group retreat house, while honoring the historic architectural features of the building.
- A replacement building for our beloved Osprey House with a multi-functional retreat and meeting space.

**Why a capital campaign?** In short, *to deliver on our promises:*

- Provide a healthy, safe, compliant environment
- Value our employees and guests
- Preserve the resources entrusted to us

Clearwater Forest started changing lives in 1954 through a Christian camp experience. We now offer retreats, family events, senior programs, and team-building opportunities. Each year some 5,000 guests experience the hospitality of Clearwater Forest: campers, work groups, retreaters, family reunions, wedding parties, and more. We believe this is the Holy Spirit changing lives in God's woods and waters

*When you have something you love, you take care of it. You nurture and develop it, and you proudly share it with others.* **Watch this space for a September webinar opportunity to engage the mission and vision of Clearwater Forest.** And [visit the Clearwater Forest website for an on-line presentation.](#)

Clearwater Forest is supported by four Presbyteries, including the Presbytery of the Twin Cities Area, and by the Synod of Lakes and Prairies, PCUSA.
