

# Greetings from Malawi ...

Merry Christmas to you and your family across the world!

## Praises

- \* For Mphatso as she seems to be settling well into her new school, though please continue to pray for her school year.
- \* Mphatso has made some good friends in our neighborhood as well and has really come out of her shell this past year.
- \* Graduation of another group of students from University of Livingstonia, and first semester of the new academic year already wrapping up. We have a good group of new students who have joined us.
- \* Rochelle has had a colleague return from their 3 years of doctoral studies abroad, continuing to enrich and grow Mzuzu University staff.

## Prayer requests

- \* For the rains of Malawi. The projections for the upcoming rainy season are that our region will experience normal to above normal rainfall from now until March.
- \* For patience during the nearly daily power blackouts, though typical this time of year it is still frustrating and time consuming for our work and family life during this Christmas season.
- \* Would you accompany us in our ministry work in Malawi through your prayers and financial support? Our service depends on you. There is still remaining **about \$20,000** in financial support we need for 2019. Please consider supporting Tyler's position at the University of Livingstonia, Faculty of Theology through Presbyterian World Mission.
- \* Please let us know how we can be praying for you!
- \* Pray for the country of Malawi, its government, its leaders, its students, its future, and also pray for our local partner the CCAP, and the universities that we work for.
