## The best slides aren't necessarily on the playground.

When our kids slide, they are not on a playground. They are on a Reiner!

Yes, the **InterScholastic Equestrian Association (IEA)** has kids in grades 4-12 who ride Western (and Hunt Seat and Dressage) in a draw-based format. Nearly 14,000 of them on 1,550 teams in 46 states. Give your child a leg up without having to own a horse.
