You provide the kid; We provide the horse. (Now, that's teamwork.)

Sometimes team sports involve both 2-legged and 4-legged athletes.

Yes, the **Interscholastic Equestrian Association (IEA)** has kids in grades 4-12 who ride Dressage (and Hunt Seat and Western) in a draw-based format. Nearly 14,000 of them on 1,550 teams in 46 states. Give your child a leg up without having to own a horse.
