

Peace of Mind for You Today. Less Debt for Your Child Later.

With Florida 529 Prepaid Plans starting at just \$45/month, you can help your child get a college education and avoid student loan debt.

There are lots of reasons to save early for your child's postsecondary education, from greater lifetime earnings potential and more career options, to the powerful message you're sending about the importance of education. Florida 529 Prepaid Plans offer certainty and security for college savings. And by starting today, you're setting them up for a future full of opportunity.

- According to the Southern Regional Education Board, two out of every three jobs by 2030 will require some postsecondary education and training beyond high school.
- Student loans are the second-largest source of debt behind home mortgages in the United States, with more than 45 million Americans holding loan debt of more than \$1.6 trillion, according to the Institute for College Access and Success. Floridians owe more in total than all but 2 other states.
