## VPK Registration

Florida's Voluntary Prekindergarten Education Program, or VPK, is a free educational program that prepares 4-year-olds for success in kindergarten and beyond. Children must live in Florida and be 4 on or before September 1 of the school year they enroll. Parents whose children are born between Feb. 2 and Sept. 1 of the calendar year may postpone enrolling their 4-year-old until the following year when their child is 5.

### Registration opens January 1, 2020 for the 2020-21 school year.
