8 FULL DAY MASTER CLASS SESSIONS

SEPTEMBER 2020 - MAY 2021

- CEU's AWARDED -

What do we do

Learn how to adapt to the disrupted business environment and shape a childcare program that will generate the real revenue necessary to create quality programming and care, offering more than a living wage and shape a business that is uniquely yours.

- Adapt in a disrupted business environment
- Move forward with a new business model
- Forecast budgets and cash flow based on the "new" real cost of running your business
- Analyze your program's current strengths, weaknesses, opportunities and threats
- Create a future focused marketing plan that starts with your current economic condition
