

Provider Learning and Networking Meeting
Soref JCC
6501 W. Sunrise Blvd., Plantation 33313
Wednesday, November 14, 2018
10:00 A.M.
Minutes

Purpose: To ensure the continued enhancement of early education programs through a collaborative partnership of community members, service professionals, and community stakeholders.

I. Welcome

Communications Dir. Alex Browning started the meeting, reminding Providers to ensure they're on the ELC's mailing list.

II. BECEC 2019

Save the Date! Broward Early Childhood Education Conference is February 2, 2019 at Broward College North. Registration begins TBA.

III. EFS Mod/Provider Payments

CAO Christine Klima explained that ELC is still waiting on OEL to relaunch an operational payment system. ELC will continue to pay providers on time with estimated payments, as done for the past few months. Questions should be sent to your Provider Payment Specialist or providerpayment@elcbroward.org

IV. House Bill 1091 & CLASS Observations

E & Q Director Allison Metsch explained upcoming deadlines for HB 1091 and CLASS Observations (new requirements start July 2019). All SR Providers must register for CLASS observations by Dec. 1 by going to earlylearningpfp.fl DOE.org – if you're participating in PFP no need to do anything. Letters were mailed to Providers regarding the upcoming changes. Bootcamps are scheduled for November. An online video tutorial is available on ELC's YouTube page. Allison encouraged providers to utilize free myTeachstone subscription to learn more about CLASS observations. Questions on HB 1091 or scheduling a webinar/bootcamp can be sent to ametsch@elcbroward.org
