

An Interview with Craig and Roxanne Anderson

Why do you call Hosanna home?

From our family's first steps into Hosanna 36 years ago, it felt like home. We were greeted with words of welcome and warm smiles. We feel Hosanna continues to be a welcoming place to worship. Along with a welcoming atmosphere, Hosanna provides an all-around worship experience through wonderful music and meaningful messages.

Why is giving regularly to Hosana important to you?

Giving on a regular basis is our way of affirming that we believe in Hosanna's mission and direction. Our hope is that our giving ensures Hosanna remains a vibrant spiritual home for the next generation, just as it has been for us.

How does faith impact your giving?

We give out of faith, not obligation. We give freely and cheerfully to help with the ministries here in our mission post and out to communities locally and globally. We are deeply grateful for where Hosanna has been, where it stands today, and where God will lead Hosanna in the future.

Thank you, Craig and Roxanne, for sharing your stewardship experiences with us.
