DeKalb County Tax Commissioner's Offices closed to the public until further notice

Decatur, GA – In light of recent developments with the spread of the COVID-19 virus and rapidly changing protocols as issued by the World Health Organization (WHO) and the Centers for Disease Control and Prevention (CDC), beginning at 8:00am Monday, **all DeKalb County Tax Commissioner's Offices will be closed to the public until further notice.** Our staff will continue to work to process Motor Vehicle and Property Tax documents submitted via fax, mail, email, and our office drop boxes at the Memorial Drive and Dresden Drive locations. Taxpayers may visit our website at www.DeKalbTax.org for information on how to submit the necessary documents for processing. Click the "Drop-Off Services" tab at the top of the page for more information.

"We encourage taxpayers to utilize our convenient Kroger kiosks and website for tag renewals and property tax exemption applications," said Tax Commissioner Irvin J. Johnson. "We are following protocols set by our Chief Executive Officer Michael Thurmond to eliminate face-to-face interactions, but will still provide as many services to our taxpayers as possible. We can be reached by phone at 404-298-4000 with questions, but our website has all the information a taxpayer may need."

Please visit our county tag website at www.DeKalbTax.org for more information and office updates.
