

# E.M.B.A.R.C. COMMUNITY YOUTH FARM

## Now Accepting Applications

### APPLY NOW!

The E.M.B.A.R.C. Youth Farm is a **PAID** 10-month program to cultivate and nurture a community hub for high school students to grow food, harvest, sell healthy produce to engage in entrepreneurship and sustain lasting skills that will enhance the quality of life and health of DeKalb County. Sponsored by, Commissioner Lorraine Cochran Johnson, this culturally enriched, leadership and expressive program will help participants to gain interest and pursue a career in the agriculture field through our focus areas of learning which include Education, Market, Botanicals, Agriculture and Recreation Center.

### WHO ARE WE LOOKING FOR?

E.M.B.A.R.C. Youth Farm's Entrepreneurship Program will include youth components of entrepreneurship and its implications for society. We are seeking youth that are interested in decision-making and problem solving in through an understand of opportunity recognition, economic/financial models, value creation, and basic entrepreneur-related concepts.

### KEY REQUIREMENTS:

- Passion for entrepreneurship
- Interest in farming and developing agricultural skills
- Ability to work independently and collaboratively
- Enrolled in a DeKalb County High School during the 2023/ 2024 school year.
- DeKalb County resident (verification)
- Must be between the ages of 15- 18

### WHAT YOU'LL DO:

Students will enroll in a **PAID** 10-month Entrepreneurship program which teaches youth how to grow, harvest and sell fresh, healthy produce, flowers and other value-added products at a market stand. Students will also learn valuable life, work, business and entrepreneurial skills.
