As the coming out age gets younger, children and families may have questions about the LGBTQ+ community. You may want to be more familiar with terminology or want to know more about what resources are available in our community. You may want to know how to answer questions that your kids ask about gay or trans people in a developmentally appropriate way.

The OPEN Committee is proud to once again host an event with Carolyn Wahlskog, Director of Operations and Programming at Youth Outlook, an organization that celebrates, empowers, advocates for, and provides services to meet the ever-evolving needs of LGBTQ+ youth,

All are welcome at this event, including friends, family and neighbors from surrounding communities. Youth Outlook will facilitate a youth activity (suggested age: 3rd to 6th graders) about understanding gender diversity and a conversation for parents to practice answering questions and creating safe spaces.
