

## Attention 6th Grade Parents:

We are looking for photos of Ogden 6th graders throughout the years!

On the last day of school, Ogden will have a special breakfast and slideshow for our graduating 6th graders. We are looking for specific pictures for this slideshow.

Using this GOOGLE photos link [OGDEN PHOTO LINK](#), please submit photos for consideration according to these specific guidelines:

- Current 6th grade Ogden students only
- Limit: Only submit 10-15 photos in total please!
- Talk to your 6th grade friends so you aren't sending the exact same photos!
- We will only consider the first 15 photos submitted
- Please label each photo submitted. If not labeled, it will not be considered.

*For example: Quinn001 (for first photo), etc...will help us keep photos organized.*

- From kindergarten age through now
- Groups of 6th graders from school events
- No family or siblings in pictures
- Photos with Ogden teachers and staff are a bonus!

If you need ideas of how to coordinate with friends prior to submitting, email [karensmith1000@me.com](mailto:karensmith1000@me.com). Happy to help!

Submit photos no later than Friday March 21st.
