

TCCWOC STOP THE CORONAVIRUS PLAGUE

14 DAY FAST / CONSECRATION

A Time of FASTING, CONSECRATION, & PRAYER

SUNDAY, March 29, 2020 at 12:01 am – SATURDAY, April 11, 2020 at 12:00 am

Reverence (honoring and respecting) the Lord during this consecration, and you will see Him do miracles in your midst. Be specific in your prayers and you will see God move mightily in your request (*Isaiah: 58:6-12*). Additional scriptures to edify yourself with during this fast (*II Chronicles 7:14, Matthew 4:2-4, Mark 2:18-20, 9:29, Luke 2:37, John 4:34*).

“FAST” CHOICES: *(Drink plenty of water, whichever fast you choose.)*

- Type I.** Liquid fast (*Matthew 4:2*) - No eating for 14 days (you may drink 100% fruit/vegetable juices, protein drinks and/or herbal teas (i.e. green tea, black tea, white tea))
- Type II.** Partial Fast (*Acts 10:30*) - No eating from 5:00 a.m. - 5:00 p.m. After 5:00 p.m. you may eat meat with your meal but no sweets, junk food, sodas, coffee, etc. No overeating or continuous eating).
- Type III.** Denial Fast (*Daniel 10:3*) - You may eat light meals throughout the day, but no bread, meats, sweets, junk food, sodas, coffee, etc. No overeating or continuous eating.
- Type IV.** You may eat light meals anytime, but no sweets, junk food, sodas, coffee, etc. No overeating or continuous eating. This is primarily for children, pregnant or nursing mothers or those who require food with their medications or who have diabetes or hypoglycemia, etc. If you are on a Type IV Fast you should get the book, “Healed of Cancer”, by Dodie Olsten, in our bookstore. Meditate on the 40 healing scriptures and believe God for your healing during the fast (*Isaiah 58:8*).

**Remember, this is not only a time of fasting from certain foods but a time of consecration and fellowship unto the Lord. Only listen and watch Christian media that is biblically based and spiritually edifying. Don't listen or watch secular media.*

Be led by the Spirit of God (Romans 8:14) in what you say and do. Keep your heart pure, holy, and filled with love. The Bible tells us that when we fast we are to do it in secret (Matthew 6:16-18). You may let those family members in your household know because the Bible says not to hide yourself from your own flesh during that time (Isaiah 58:7). Friends, co-workers, and extended family members should not be told you are fasting. If you are married and want to abstain from sexual intimacy with your spouse you may do so only with your spouse's consent (I Corinthians 7:35). Of course, you can fast and have sexual relations with your spouse (Hebrews 13:4). The correct way to fast and the benefits of fasting are found in Isaiah 58:6-11.
