

We will once again be hosting our popular CandyLand Christmas event in downtown Smithville. Kids can drop their letters to Santa and pick up a goody bag before we send them off on a treasure hunt through downtown. Please consider helping us by providing a monetary donation, trinket, or treat for the goody bags! Here's how you can get involved:

- If your business is downtown, we'll add you to the CandyLand map! All you need to do is be open during the hours and provide an activity **or** treat for the kids when they come visit.

- If your business is not downtown we are offering an opportunity to Chamber Members at the Activity Center. You will be able to set up a "booth" in the Activity Center during the event hours and provide a fun activity or treat for the kids when they come by. These spaces will be limited so please get with Nick ASAP.

Sponsor the event by donating trinkets to fill goody bags, or consider a monetary sponsorship. We fill around 600 bags for this event.

◯ Gumdrop Sponsor ($25 with check/cash discount or goody bag donation): Social Media Recognition.

◯ Candy Cane Sponsor ($50 with check/cash discount): Logo recognition on website & social media.

◯ Lollipop Sponsor ($75 with check/cash discount): Logo recognition on website/social media recognition, PLUS listed on the map.

◯ Santa's Workshop Sponsor ($100 with check/cash discount): Listed on Map, logo recognition on website/social media, newsletters and on signage at event.

With your help, this event will continue to bring people into our community and into our businesses. Thank you for your support!
