MISSION

To *inspire* young leaders and students, to proactively **advocate** and **uphold** local **volunteerism** to better the livelihood of those in the community.

GOOD FOR THE COMMUNITY

The **Student Board** is a campus-based **community change effort**, led by students to address critical **Mental Health**, **Poverty**, **Domestic Abuse**, and **Environmental issues** within the community & rally around solutions!

BUILDS LEADERSHIP SKILLS

Time and time again in history, young people have catalyzed change. **This is YOUR opportunity to make a difference!** Connecting with your community and your peers allows the Student Board to provide insight on campaign strategies, community awareness, and gives students in Hernando County the opportunity to develop leadership skills. This is accomplished through volunteering, officer positions, and committees.

UNITING AS A YOUTH FORCE

There's no doubt that when people band together around a common goal, **great things happen!** Despite the uniqueness of each chapter, United Way Student Board Members should know that they are **part of an international network** of young people **working to advance the common good** in Hernando County!
