- **Listen** nonjudgmentally.
- **Give** reassurance and information.
- **Encourage** appropriate professional help.
- **Encourage** self-help and other support strategies.

Training materials provided FREE for those living or
working in or nearby Hernando County!
REGISTRATION REQUIRED.

Why Youth Mental Health First Aid?

Youth Mental Health First Aid teaches you how to identify, understand and respond to signs of mental illness and substance use disorders in youth. This 6-hour training gives adults who work with youth the skills they need to reach out and provide initial support to children and adolescents (ages 6-18) who may be developing a mental health or substance use problem and help connect them to the appropriate care.

Three Learning Options

- **Virtual.** First Aiders will complete a 2-hour, self-paced online class, and then participate in a 4-hour, Instructor-led videoconference.
- **Blended Learning.** After completing a 2-hour, self-paced online class, First Aiders will participate in a 4-hour, in-person, Instructor-led class.
- **In-person.** First Aiders will receive their training as an 6.5-hour Instructor-led in-person course.

Who Should Take it

- Teachers
- School staff
- Coaches
- Camp counselors
- Youth group leaders
- Parents
- People who work with youth

What it Covers
