Legal and Financial Planning for the Special Needs Family

Planning for your child's future can be overwhelming – this presentation will walk through various tools that will help protect your child's future. Participants will learn about guardianship, special needs trusts, and other planning considerations.

CLANCY & ASSOCIATES
Guiding Families with Unique Needs

Clancy & Associates, Ltd. is Illinois's only full-service special needs planning law firm dedicated to supporting individuals with special needs and their families. We, too, are parents and siblings of loved ones who have a disability and know how daunting and exhausting it is to go from firm-to-firm and provider-to-provider to find solutions and help. Each child and family's needs are very different, and we provide tailored, common sense ideas and strategies that reflect your goals, resources, and hopes for your family's future security.
