The lessons and materials are provided for the Sunday School teachers. The Sunday school teachers are on a rotation and would teach about once a month. We are very flexible with schedules. As an Adult Helper, you would join the kids and teachers while assisting as needed or work on small projects for the Sunday School program.

If interested, please contact Stephanie Shelton at 567-202-5035 or sshelton171@gmail.com. All adults working with the kids would require a background check that will be provided by the church.
