

Miles of Smiles

Dental Services

Dear Parents/Guardians:

The Miles of Smiles (MOS) dental program was established in 1995 and provides dental services for children at approximately 30 Ottawa County Schools annually. The mobile unit is 40 feet long, has 2 patient rooms, digital x-ray, waiting area and a wheelchair lift. Unfortunately, MOS will not be visiting your child's school this year. However, we want to inform you that your child can be seen on our mobile unit when we locate at another Ottawa County School.

If your child/children have the qualifications listed below, please use the link or QR code to complete the dental consent form for each of your children.

To qualify for NO COST dental services:

- Your child must not have a dentist
- Your child has not had a dental checkup in the last 6 months
- Your child has Medicaid Insurance or is uninsured and financially qualifies
- Your child lives or attends school in Ottawa County

Please use the following information to sign your child up for services!
