

## **Ms. Justina Mann**

Ms. Justina Mann is the Director of Infrastructure Controls for the Houston Airport System (HAS). Ms. Mann is responsible for ensuring the effective execution of HAS's Capital Development Program, including operational, renewal and rehabilitation projects at George Bush Intercontinental Airport, William P. Hobby Airport, and Ellington Airport. Prior to her current role, Ms. Mann served as the Procurement Officer for HAS beginning in 2013. Ms. Mann was the Procurement Officer for Hartsfield-Jackson Atlanta International Airport prior to joining HAS.

Ms. Mann has over 10 years of experience in Aviation as a part of her 20 years of experience in City, and Authority (quasi-government) environments. A Certified Member of AAAE, Certified Public Procurement Officer, Certified Professional Contracts Manager, Project Management Professional and Six Sigma Green Belt, Ms. Mann's focus is to ensure HAS standards, procedures and practices are being followed to ensure projects are successful, further enabling the airport and the City to achieve its mission. Ms. Mann received her Bachelors of Science degree from the University of Minnesota, obtained her Masters of Project Management from Keller Graduate School of Management, and has completed several leadership development programs.

Ms. Mann currently serves as a Board Member for the National Forum for Black Public Administrators (NFBPA) where she also Chairs the Marketing and Branding Committee and is a member of the Conference Planning and Evaluation Committee and the Finance Committee.
