VIGNOLA GOURMET HOT LUNCH PROGRAM | 2021

Dear De Chantal Parents,

Vignola Gourmet is a local, family owned business providing hot lunch programs to area schools since 2008.

We prepare almost every meal from scratch, daily, focusing on kid-friendly and healthy lunch options. Our menus are nut free and we offer gluten free and vegetarian options daily.

Daily entree will include appropriate side dish, fresh fruit, dessert and side salad. Lunches are \$6.25 with the option to up-size or add on a cup of homemade soup.

All ordering and payment will be done online, a la carte style. Ordering will be done weekly. The cut off is Sunday at 5pm. No minimum orders required. A onetime activation fee of \$4 per family will be applied at the time of your first order.

Our hot lunch program will start off with meals being prepackaged on campus in closed eco-friendly containers and labeled with student's names. They will then be distributed to designated dining areas. If there are any changes in the service, such as going back to a traditional buffet style lunch, all families will be notified well in advance.

If there are any COVID related closures, credits will be issued in full after the 2nd day closure is announced.

Instructions to guide you through registering and ordering are in the following letter. If you still need assistance please click on Software Support option or email us at vignolagourmet@gmail.com

We thank you for your help in getting this implemented and look forward to working with you this year.

We remain dedicated to providing your children with the highest quality meals and doing so in the safest way possible.

Thank you and please stay safe,

Giovanni and Ashley Vignola
