

Leaders Forum 2021

Tuesday 20th to Thursday 22nd July

Mantra Legends Hotel, Gold Coast QLD

Conference
fee only
\$495

Leading through change

Christian
Venues
Association
experience the spirit of sharing

Who should attend?

The Christian Venues Association (CVA) Leaders Forum is a conference designed for **leaders and emerging leaders** within the Christian Venues Community. It is designed as a time of **networking, education and spiritual focus** with an emphasis on providing skills to further equip the leaders of this industry to be better prepared to advise their own ministries. This in turn advances the Kingdom of God.

Location

Leaders Forum will be held at **Mantra Legends Hotel in Surfers Paradise**. With guaranteed ocean view rooms and only a 100m walk to the beach, the location will not disappoint.

The hotel is situated between Gold Coast Airport (30-45min drive) and Brisbane Airport (60-75min drive). [Click here to view the hotel.](#)

As part of the conference package, you will also have **access to accommodation conference rates pre and post** conference!

Food, glorious, food

Let's agree; we all love good food. The conference fee **includes morning and afternoon teas, lunches and dinners**. If you stay at the Mantra, breakfast is also included. Freshly brewed coffee, and assorted teas will be available.

On Wednesday we get interactive with "build your own" morning & afternoon tea breaks. Choose how you sweeten your warm doughnut/ churros or build your own bagel - it's fun and delicious.

The Mantra has indoor and outdoor spaces where we can share meals together. Nothing like **fellowship enjoyed together with good food.**

Theme

After the year 2020 has been is there a more pertinent topic than ***leading through change while maintaining values and standards?***

- How do we determine what is good change and what is detrimental change both from a leadership and scriptural perspective?
- What does agility mean for leaders and is this something important?
- The changing views of leadership across different demographics.
- How do we maintain core focus in the midst of storms?

Keynote Speaker - Matt Hunt

Matt comes to us with significant experience in ***team leadership, bible teaching, evangelism*** in word and deed, and deep application of the importance of relationships in leadership and ministry (plus he is no stranger to Christian camps). Matt is currently the pastor and a leader of a rare multi-site, community oriented expression of local church on the Gold Coast.

He will share his experience of ***reframing his leadership as contexts change over time*** such as, changes in the size of the church, moving from one site to a multi-site structure, church planting, community engagement and more recently dealing with the challenges of COVID-19 for a large church.

Cost

Conference + Meals (does not include breakfast)

- Full Conference \$495 per person

Accommodation at Mantra (includes breakfast)

- Twin Share \$82.50 per person per night
