

## The COVID-19 Task Force Update

The COVID-19 Task Force has been reinstated to address how we can assist and do more for the well-being and increase connection among our parish family.

**CALL-A-THON** Thank you to those who have offered to help conduct the second round of family reach-out calls. We could use a few more members to call every family member, and we would love some new voices to be a part of that. If interested, contact [Meli Papayannis](#)

**NEW -- COMMEMORATING OUR VETERANS EVENT** On Sunday, November 8, we are planning an event to commemorate our veterans. We will join in worship, allowing those who prefer to stay outside to sit on the church lawn. (Liturgy will take place indoor with speakers placed near the windows of St. Irene's Hall, facing the lawn.) There will be a picnic (Bring Your Own Lunch) and social activity afterwards, weather permitting. We need someone (or two) to organize and oversee this one half-day event. The Task Force has ideas on the various activities that could take place. If available, contact [Maria Decoulos](#) Details to follow!

**Committee Members:** Father Demetri, Pam Brown, Eleni Bury, Maria Decoulos, Judy Gray, Don Khouri, Ghada Massabni, Meli Papayannis, Penelope Tzougros and Alexa Vafiades
