

September 2026

Dear Sunday School Parents,

We are very excited to introduce a new opportunity for our children at St. Nicholas: Youth Choir & Pizza! 🎵🍕

Once a month, our Sunday School children and teens will gather for a fun and engaging youth choir session with Laura Dyer, where they will learn beautiful hymns of our Orthodox faith, enjoy time together with their friends, and, of course, share some pizza!

🎵 **Youth Choir & Pizza Schedule**

Please save these dates for our monthly gatherings with Laura Dyer:

October 4th

November 1st

December 13th

January 10th

February 7th

March 7th

April 4th

~~May 9th~~ May 16th

June 6th

Our goal is simple: to help our children experience the joy of being an active part of the life of the Church. Throughout the year, the children will learn approximately three to four hymns. Once they have learned each hymn, they will have the special opportunity to join our adult choir and chant it together during a Divine Liturgy. Imagine how beautiful it will be to see and hear our children standing alongside our choir and offering their voices to God! But this ministry is about more than learning music.

We want our children to feel that St. Nicholas is their church, their community, and a place where they belong. We hope Youth Choir & Pizza will give them another reason to look forward to coming to church, seeing their friends, participating in Sunday School, and growing together in their Orthodox faith.

No previous singing or chanting experience is necessary. Every child and teen is welcome! We want this to be relaxed, joyful, and fun. Come sing, learn, laugh, eat some pizza, and be part of something special! 🎵🍕

Parents, your support makes all the difference. By bringing our children together and encouraging them to participate, we are helping them build friendships, create wonderful memories, and develop a connection to the Church that we pray will remain with them throughout their lives. We can't wait to hear our children's voices filling St. Nicholas!

With love in Christ,
