Our PROJECT MEXICO JOURNEY

Many of you experienced the deep spiritual and community connection shared by our Project Mexico representatives and inquired about how **you** could get involved. Here are some options:

- 1) **Join Us!** – Perhaps you missed our address to parishioners on September 28th or you were inspired by hearing about it. Please consider coming with us to Mexico June 22-29. Costs are kept to a minimum while you maximize your travel experience. This is an opportunity to significantly change someone's future while going on your own spiritual journey. If you are interested in learning more, email Nicholas Zervoglos at nzervoglos@gmail.com). www.projectmexico.org
- 2) **Closer to home or a trial?** – Our group will be volunteering our time locally 12-4pm on March 7th. We have selected to work with Household Goods, Inc., a non-profit in Acton that provides a full range of donated furniture and household items, free of charge, to help people in need make a home. Our jobs will be to accept donated items, prepare and display them for visitors, help visitors with selections and move furniture in/out of the facility. Following our afternoon labor, the Zervoglos family will host a gathering with snacks and beverages at their home in Acton. If you are interested in joining us, contact Melanie Tanionos at 617-803-8498 (phone or text). www.householdgoods.org.
- 3) **Donate** – If you are short on time but still want to be supportive, we encourage you to donate to Managed Missions. Your donation will cover the costs of building materials for all our attendees and be split among the group. As we often fall short of reaching our goal (\$750 - \$1,000 per person), you might be hearing directly from St. Nicholas friends doing their own fundraising. Your donations are not required, but they are appreciated. Donations can be made to the entire team or individual members through this link. <https://pm.managedmissions.com/Donations/Donate/93344>.
