

## KINDNESS CAMPAIGN

Our Orthodox Christian acts of KINDNESS, SUPPORT, and LOVE!

### Face Shields

Our family member Judy Gray connected St. Nicholas church with Alan St. Jean. Alan is a veteran of the U.S. Army and recently retired respiratory therapist from St. Vincent Hospital. He and his fellow veterans from Vincent F. Picard post 234 in Northborough have been making face shields for those who need them on the front lines. Judy on behalf of St. Nicholas dropped a number of face shields to Care One nursing home in Lexington on Monday, they were in need and were very appreciative of the delivery. We will be in contact with other nursing homes and facilities to help provide more face shields.

### Kindness Messages

If you would like to create messages to those working on the front lines, we still need more for our St. Nicholas Thank You posters. There is a bin outside the office entry on Oakland St. at the church. We will pick up messages, put them on the poster, and deliver to our church family members working on the front lines!

If you know of an organization we can support or you want to lead a kindness project email the church we would love to coordinate with you or support you. Keep an eye out for more kindness action coming! Email the church office: [office@stnicholaslex.org](mailto:office@stnicholaslex.org)
