All those who have made reservations for this luncheon, please enter the hall following Divine Liturgy and be seated. Because there is no fellowship hour, we kindly ask those who are not attending to exit from the front of the church. Thank you.

A SPECIAL THANK YOU to all those who have hosted and sponsored the Fellowship Hour for 2025 and previous years. You have the appreciation and gratitude of our parishioners for adding to the enjoyment of each Sunday's reception. God Bless!

“The Medicine of Immortality”

To receive Holy Communion is to participate in the Resurrection of our Lord, and to announce his message of new life. Let us prepare for Holy Communion by living lives worthy of what we have received, and let us leave Church each week empowered with the new life we have been given.

Special Holy Week / Pascha Announcements:

EGG DONATIONS: A sign-up sheet for Easter Eggs is located near the kitchen. Please bring one or two dozen Hard Boiled and Colored Red eggs to be distributed at the Resurrection Service and Agape Service.

READERS DURING GREAT AND HOLY WEEK: We welcome those who would like to assist and help with the readings. Please come to the chanter stand before the service to offer your participation.

PROCESSION OF THE KOUVOUKLION: If any strong men and women would like to assist in carrying the Kouvouklion containing the Epitaphios on Holy Friday evening, please see a Parish Council member.

PASCHA FELLOWSHIP HOUR: Following the Resurrection on Great and Holy Saturday night, our Parish Council invites everyone to stay for a Paschal Fellowship Meal.

VESPERS OF LOVE SERVICE ON PASCHA: As we have in previous years, we are looking for those who can read foreign languages to proclaim the Gospel in as many languages as possible (which is the tradition of the Church at this service). Following the service, an Easter Egg Hunt will take place for the children.

Reminder to submit your volunteer hours!

To date collectively an impressive 1,711 hours of your time has been submitted! All this volunteer work shows that St. Nicholas is truly a caring community. This service is part of the Lex250 collective goal of 250k hours honoring the 250th Anniversary of our Nation! Your volunteer hours are

appreciated not only within our church community, but by the Lexington community that is home to St. Nicholas! Hours volunteered by all members of your household from April 1, 2025 through July 2026 not previously provided should be included.

Your name and hours served by all members of your household served should be sent to: dawn@dawnmckenna.org

Please consider supporting!

I'm humbled to participate in this year's Pan-Mass Challenge - a bike-a-thon that raises more money for charity than any other single athletic fundraising event in the country - to bring us Closer by the Mile to a cure for cancer. Since its founding in 1980, PMC riders have raised more than \$1 billion for lifesaving cancer research, treatment and patient care.

Despite my advanced age, this will be my first year riding the Pan-Mass Challenge, inspired to ride by a close friend, and by the memory of those whose lives have been touched by cancer, and have touched me in return. I will carry with me the joys of those who have triumphed over cancer, and the sorrows of those whose lives have been taken by this disease. All of us can easily bring to mind those individuals - for me, it has been my wife, my brother, my father, my aunts, brothers-in-law, co-workers, parish family members and close friends as well as the many patients and families I meet through work, to name only a partial list.

As I train and ride, I will also keep in mind a dear friend, Debbie Fine, who succumbed to malignant melanoma while an undergrad with me at Boston College, never making it to graduation. With the advances in treatment of this cancer over the years, I know she would have lived a much longer life - and would have been an amazing physician - if today's advances were available to her then. I think of Chuck, a close friend who has been working with DFCI physicians to keep his cancer at bay, likely benefitting from the very research supported by PMC. I think of the brightest light, 12-year-old Leah, a member of our parish family who has touched so many lives - may her memory be eternal.

Please know that 100 percent of every dollar raised by your donation in support of the PMC riders goes directly to the Dana-Farber Cancer Institute, meaning that your donation has a real impact. Please consider donating to the PMC and, through it, the patients and families who need us most.

With love and gratitude, Tony Gray

2026 PAN-MASS CHALLENGE

Family Breakfast Sunday, April 26, 2026

The Journey Continues....Hope and Live Like Leah

This will be my **12th year** riding the Pan Mass Challenge and the journey has been filled with so many emotions. Those of joy, happiness and so much gratification for all that has been accomplished since my first ride back in 2015, supporting so many to win their battles with cancer and offering so much hope for treatments in the future. But there are also heartaches and sadness in this journey as there are the stories of our loved ones, family and friends, who have lost their battle with cancer.

My family and I would like to show our appreciation and invite you to a complimentary brunch following church services. All are welcome.

Please consider donating to my ride in memory of or in honor of a loved one affected by cancer.

Donations can be made at PMC.org or just scan the QR code.

If you prefer to write a check, please make it out to the "PMC", and mail it to me directly at:
