Empowering People to Help Themselves...

Founded in 1966 as part of the national Community Action movement, GLEAMNS serves 14 counties: Abbeville, Anderson, Cherokee, Edgefield, Greenwood, Laurens, Lexington, McCormick, Newberry, Oconee, Pickens, Richland, Saluda, and Spartanburg counties. Programs and Services

Early Childhood Education: Head Start & Early Head Start –

Every child deserves a strong start, regardless of their background. For 60 years, GLEAMNS has been committed to providing exceptional early education to children who may face unique challenges. When children are given the foundation they need to succeed, they not only thrive individually but help uplift their communities as well.

Community Services: CSBG, LIHEAP, and GEAP –

The Community Services Block Grant (CSBG) Program is a vital initiative that helps low-income households gain the skills, knowledge, and motivation needed to achieve self-sufficiency. Alongside our Community Services program, the Low-Income Home Energy Assistance Program (LIHEAP) and General Emergency Assistance Program (GEAP) programs are designed to assist eligible low-income households to meet home heating, cooling, and housing needs. By addressing the root causes of poverty, the program empowers individuals and families to improve their quality of life and build a sustainable future.

Weatherization: Enhancing Energy Efficiency for Low-Income Households-

The GLEAMNS Weatherization Program, part of a nationwide initiative, helps alleviate the burden of high energy costs by lowering energy expenses, improving home comfort, and enhancing the overall standard of living while ensuring the health and safety of those we serve.

Dr. Benjamin E. Mays Historic Preservation Site

In 2011, GLEAMNS established the Dr. Benjamin E. Mays Historical Preservation Site to honor and display the extraordinary life of Dr. Benjamin Elijah Mays.
