

# CAMBODIA IS MOVING FORWARD

*incredible things are happening in Cambodia in 2024!*

## THE “LOVE CAMBODIA” CONFERENCE

*In mid-2023, our Country Director, Bora Nao, launched an idea to gather Christian NGO leaders, pastors, and business people from all over Cambodia to gather together and launch a vision of raising the percentage of people who claim the Christian faith in Cambodia from 3% to 10% by 2034. Mission 25 joined with Bora, and Global Training Network to make this gathering a reality! On March 18-20th, over 175 influential Christians from all over Cambodia gathered to worship, pray, and learn together. It was incredible. These Cambodians love their country dearly and yearn to see their friends, family, and neighbors come to know Christ. This gathering is being followed up with individual provincial meetings to continue promoting LOVE Cambodia's goals. Our next gathering will be February 2025. Please pray for this vision! We are excited to be a part of witnessing the church grow in Cambodia!*

## THE OPEE MISSION 25 SCHOOL

*In 2022, Mission 25 partnered with a community in Kampong Cham, a province North of Phnom Penh, to launch a new school and community center. This is an exciting project! We look forward to sharing more in the future, but please pray for Mission 25 & this school! To find out more, click the link below and check it out!*
