

Dispatch/Records Department:

Staff attended a training hosted by the FBI and the DOJ to learn the new crime reporting requirements. The new crime reporting will start in early 2021.

Our Records Clerk also attended a Public Records Act class to learn about the updated laws for Public Records.

Records completed 5 live scans in October. These live scans are for City employee applicants, casino, and cannabis employee applicants.

Staff is working with the Cal OES 911 Branch to implement text to 911 services. Services are projected to begin in early 2021.
