

CITY OF MARYSVILLE

Parks and Open Space Master Plan Workshop

PLEASE JOIN US!

The City of Marysville is developing a Parks and Open Space Master Plan. The goal of the plan will be to address park facilities, open space, and programs to meet the current and future need of residents.

Please join us at a workshop and share your thoughts and ideas!

Feel free to drop in any time between 6:00 and 7:30 pm to provide your feedback through a variety of activities. At 6:00 there will be a brief introductory presentation.
