Two applicants are currently undergoing a background investigation to fill vacant positions in dispatch.

Several dispatch and records personnel had the opportunity to receive medals from some of the Special Olympic medal winners. We are thankful for the support from the award winners!

The records clerk position was moved to a fulltime position effective July 1, 2020.

Records completed 39 live scans in June, July and August. These live scans are for City employee applicants, casino and cannabis employee applicants.
