

# MARYSVILLE POLICE DEPARTMENT

The building was located at 3rd St and Oak St before it was demolished in the 1960's.

Sheriff/Officer Henry McCoy arrived in Marysville in 1859.

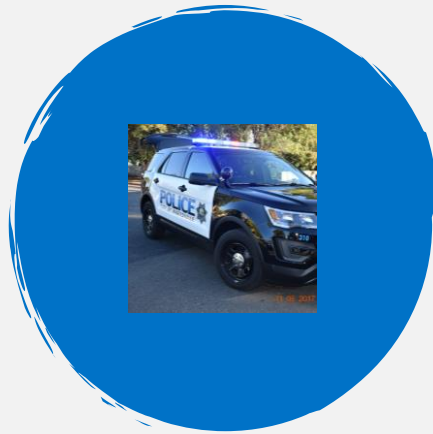

Officer William Burroughs replaced McCoy in 1898 and served a total of 30 years.

## About Us

Over 160 years of service and counting. The Marysville Police Department was established in 1851. The police department was originally housed in the same building as the fire department and city hall.

Police  
Administration

Police Patrol &  
Detective Bureau

Public Safety  
Dispatch/Records

# The Department

The Department is made up of  
three divisions.

- **11,157** reports were processed.
- **155** Court Orders entered.
- **436** Subpoenas entered.
- **552** Property Damage Reports entered

# ANIMAL CARE SERVICES

The animal control officer was made full-time in September 2018. At that time, we also partnered with Fieldhaven Feline Services to help with the large number of cats and cat colonies. By partnering with Fieldhaven, we were able to achieve the following:

- 55 colonies have been identified
- 342 cats have been trapped, fixed, vaccinated and released in the TNR (Trap, Neuter, Release) Program
- 33 cats & 112 kittens have been fostered/adopted
- 2 cats have been taken to the shelter in 2019 (124 were taken during the same time-frame in 2018)
- 3 Low cost vaccine & microchip clinics were held
- 3 TNR workshops presented
- 1 foster workshop presented

## Other Information:

- 562 animal related calls have been taken since September
- 59 dogs that were found loose were returned home

# PARKING ENFORCEMENT

Parking enforcement became a full time position in July 2018. It is parking enforcement's duty to do the following:

- Enforcement of the Marysville Municipal Code as it relates to parking.
- Enforcement of the California Vehicle Code
- Vehicle Abatement

## Vehicle Abatement:

The City of Marysville has an ordinance to abate (remove) vehicles which have been deemed a public nuisance. Nuisance vehicles include abandoned, wrecked, dismantled, and inoperative, vehicles.

The California Vehicle Code allows County & City Governments to establish procedures for the abatement and removal of vehicles, or parts thereof, from the public right-of-way.

## Over the last 12 months:

- 204 vehicles were processed for abatement.
- 174 cars were moved/taken care of
- 24 vehicles had to be towed.

A large, faint, blue-tinted police badge is centered in the background. The badge is a five-pointed star with a circular seal in the center. The seal features a landscape with a ship, a figure, and a building. The word "POLICE" is arched above the seal, and "CITY OF MARYSVILLE" is arched below it. The points of the star contain decorative scrollwork.
