

Kevin Speis – Bio

Kevin Speis is a seasoned professional with over 30 years of transportation & logistics experience and 20 years' experience in the scrap metal recycling industry. He is the Director of Quality & Logistics for Didion Orf Recycling, Inc, the first scrap metal and electronics recycler in Missouri to be RIOS/R2 certified. His responsibilities include all things quality, environmental, health and safety, regulatory compliance, transportation & logistics, and operations manager for Didion's St James, MO location.

Prior to this, Kevin was a transportation manager at two St. Louis based companies, Transervice Logistics, Inc. and Grossman Iron and Steel, and was driver business leader for Schneider National, Inc. in St. Louis for 10 years.

He learned his trade while serving our country for over 14 years in the U.S. Army as a logistics officer with varied leadership responsibilities in supply and warehouse management, transportation, and maintenance.

Kevin holds a B.S. in Criminology & Criminal Justice from the University of Missouri - St Louis. He is a lifetime member of the Veterans of Foreign Wars (VFW) and former All-American Post Commander, and cancer survivor.
